

# BONESCHI AMBULANCE

IN ACCORDANCE WITH EUROPEAN AND COUNTY REGULATIONS

# WHO WE ARE

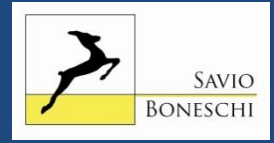

**Savio e Boneschi: long standing brand operating in ambulance market**

**The “typical” ambulance is usually serially mass-manufactured for fleets whose client are Public Entities**

**Therefore it is:**

- ✓ **a vehicle tested on a large scale**
- ✓ **simple**
- ✓ **reliable during the years**
- ✓ **it requires virtually no maintenance**

# OUR STRENGTH

**A long term experience in maintenance both under warranty and under contract of big fleets of vehicles for important clients (Poste italiane, Asl, Hospitals)**

**Large fleets produced during the past two years for:**  
**Italian Postal Company;**  
**Regional and National Hospitals and Sanitary districts;**  
**Ministry of Health Egypt**  
**Italian Red Cross**  
**Italian and European Army**

**Warranty costs virtually next to 0 in the past two years.**

# VEHICLES

Our ambulance can be fitted on several commercial vehicles

Typically on:

- ✓ Fiat Ducato;
- ✓ Iveco Daily;

But also several brands and vehicles such as Land Rover, Jeep, and so on

The vehicle can be equipped with specific options:

- ✓ 4 wheels driver;
- ✓ tropical air system;
- ✓ specific options for desert regions;
- ✓ etc.

# MEDICAL DEVICES

The ambulance can be equipped with the necessary medical devices such as:

- ✓ primary and secondary stretcher;
- ✓ scoop stretcher
- ✓ spinal stretcher
- ✓ sedan Chair;
- ✓ certified Oxygen system;
- ✓ collars and similar devices;
- ✓ fixed and portable suction Unit;
